Life/form® Deluxe CRiSis™ Torso Manikin features the same quality, durability, and reliability as the Deluxe CRiSis™ Manikin (LF03955U) only in a smaller, easier-to-transport version. Unlike full-body manikins, this ACLS torso is much smaller and easier to move from facility to facility for training. This system now features the Airway Larry Airway Management Training Head with carotid pulse, Defibrillation Chest Skin, and Interactive ECG Simulator (LF03670U), all attached to a CPARLENE® Torso. Includes a 8-oz. pump spray bottle of lubricant (LF03644U) and comes in a durable, foam-lined carton (hard carry case is available, (LF03467U)).
