Parameters

Quantitative unit ks

Use this unique transparent replica of the human skull to study internal structures that otherwise are visible only through x-ray images.

- High-quality original casts
- Skull is handmade of hard, unbreakable plastic
- Highly accurate representation of the fissures, foramina, processes, sutures etc.
- Can be disassembled into Skull Cap, Base of Skull and Mandible
- As an option, you can insert a 5-part brain (C 18) into the skull

This transparent human skull model is a great addition to any educational collection.

Dimensions: 20 × 13.5 × 15.5 cm
