

Information about product price on demand

Parameters

Pumping rate [l/min]	5,5
Treshold pressure [kPa]	16
Overpressure [kPa]	250
Quantitative unit	ks

- For smaller pumping amount
- Small proportions
- Silent run
- Minimum requirements for maintenance
- Good chemical resistance
- KN type - neoprene diaphragm
- KT type - teflon layer diaphragm (to increase chemical resistance)
- Driving 230 V
- No oil included
