Parameters

|                          |     |
|--------------------------|-----|
| Pumping rate [l/min]     | 34  |
| Threshold pressure [kPa] | 0,8 |
| Overpressure [kPa]       | 100 |
| Quantitative unit        | ks  |

- Basic structure is same as single-chamber membrane air-pump.
