The UA-782 was designed for women and it includes all our latest features inside elegant external casing and cosmetics. We are sure that the friendly external design will make regular BP measurements at home more enjoyable for women. As you may be aware, there are times when women are at increased risk for high blood pressure, including in the following situations.

- Pregnancy
- Post menopause
- Occupational stress

Therefore, having a blood pressure monitor handy for regular measurements can be a key factor in maintaining a woman's health.
