Nursing simulators - filter	Dítě
Quantitative unit	ks

Provides the S117 simulator with the functionality of our Code Blue Monitor and CPR Link, all in one package. Monitor and log compressions and ventilations by connecting Omni to any computer, OR view feedback in your Omni screen for maximum mobility.

- Teach CPR for neonates
- Monitor the compression and ventilation waveforms produced by your students
- Show the waveform results to your students
- Save as many results as you wish on your computer
- Print only those results you need

Includes:

- 1 Omni Controller
- Pre-installed CPR module inside your simulator
- 1 CPR Link cable and software; for monitoring CPR on any Windows computer

Only available during initial purchase!
