Our most popular spine model for patient and student education is also our most affordable spine model. This spine is fully flexible and designed for hands-on demonstrations. The spine contains these features:

- Full pelvis and occipital plate
- Fully flexible mounting in spine
- L3-L4 disc prolapsed on spine
- Spinal nerve exits
- Cervical vertebral artery
- Male pelvis Stand is not included with the spine, please see A59/8

This high quality spine is a great tool for teaching/learning the anatomy of the human vertebral column.
